Less than half of the ronds has accorded to the strikers' demands. All the roads are now handling freight with nearly their usual promptness, and it will take but a short tim to clear the yards and side tracks of the cars now occupying them. There are not more than half a dozen of the St. Louis, Iron Mountain and Southern machine-shop men now out and they will probably return tomorrow. The other roads on this side of the river are getting along with little trouble.

STATE & COUNTY BACK TAXES

To All Persons Interested.

UNDER instructions from the State Comptroller, I desire to call your attention to the late decision of the European Court in the case of the State et al. vs. Martha W. Duncan. In this case it was held that the State's Hen for taxes could be enforced by bills filed in the Chancery Court; that the equity of recemption would be barred, and that purchasers would acquire valid titles to real estate sold under these proceedings. In secondance with the terms of these proceedings. In ageo-dance with the terms of the decree in this case. I will Issue certificates of re-demails on to parties who settle before the filing of a bill against their prope ty, upon the payment of the original tax with interest since the da'e of tax-sale, together with the Clerk's and Collector's fees. On the 15th of April Next, will commence to fire bil's against all delinquent roperty not redeemed by that date. To avoid the xpense to the taxpayer that will be incurred by tha iling of such bills, I have tried as far I could to give personal notice to partie; who are interested in the filing of such bills, I have tried as far I could to give personal notice to parties who are interested in the delinquent list, and I will continue to do so until the date above named (April 15th), but owing to the number of delinquents it will be impossible for all to be so notified. In view of this I would uge upon properly-owners the necessity of calling at once at the office, to see It anything appears upon the taxbooks against them. Respectfully.

State and County Agent and Back Tax-Collector.
